Ms. Lois Fricke  
Operations Director  
Long Island Builders Institute  
1757-8 Veterans Memorial Highway  
Islandia, NY 11749

Dear Ms. Fricke:

On behalf of Town of Babylon Supervisor, Rich Schaffer and the Department of Human Services, we **THANK YOU** for your generous support of our food pantry. It had to take a tremendous amount of time and effort on your company's part to organize such a substantial food drive and then, in turn, deliver the items to our storeroom. As you know, our pantry distributes food to the residents in our community who are in need and, therefore, has to be replenished frequently.

Since we are a governmental agency, we cannot accept donations from organizations such as Island Harvest. Therefore, we rely heavily on local organizations and the community to keep the pantry stocked.

The concern your establishment, Long Island Builders Institute, exhibited in making this happen was phenomenal!! It was so refreshing to know that there are people, such as the employees at your company, who went above and beyond in offering considerable assistance to members of the community who depend on the food. Please express my sincerest gratitude to all those involved. Their concerted efforts in sustaining the pantry really paid off and were demonstrated by the significant contribution made.

Again, thank you for your charitable donation. Your efforts and generosity were far from unnoticed and were very much appreciated.

Sincerely yours,

Madeline A. Quintyne-McConney  
Commissioner
